

ABDUL RAUF NASIR

Chicago, IL | +1 (312) 434-8265 | araufnasir@uchicago.edu | [LinkedIn](#) | [Portfolio](#)

EDUCATION

The University of Chicago <i>MS in Computational Analysis and Public Policy (MSCAPP)</i> Focus: Econometrics, Causal Inference, Statistical Modeling, Experimental Design, Data Science, Machine Learning,	Sep 2025 – Expected Jun 2027
Lahore University of Management Sciences <i>BSc (Honors) Economics & Mathematics</i> Relevant Courses Real Analysis, Numerical Analysis, Advanced Statistical Analysis, Econometrics, Time Series Econometrics, Probability, Computational Problem Solving, Economics of Investment & Finance, Operations Research	Sep 2014 – Jun 2018
GRE Score	330 (Quantitative: 167, Verbal: 163)

WORK EXPERIENCE

Pep Boys <i>Data Analyst</i>	Jan 2025 – Sep 2025
- Conducted market research and statistical modeling to evaluate store performance and store potential for 800+ stores. - Performed pricing analytics and recommended actions to optimize competitive pricing strategies. - Built and validated time series forecasting models to estimate causal effects of pricing and promotional strategies. - Produced analytical reports supporting data-driven business strategy and policy recommendations for leadership. - Applied strategy analytics at regional and national levels, incorporating macroeconomic factors to identify trends.	
Cashew Financial Services Limited <i>Data Scientist</i>	Sep 2023 – Jun 2024
- Developed ML-driven credit scoring models, reducing default rates by 15% and enhancing product operations. - Documented research methodologies, mathematical frameworks, and Python code for ML models and version control. - Engineered features to assess financial strength for individuals without banking history, supporting financial inclusion. - Collaborated in agile teams, joining standups with product, marketing, and development teams to align goals.	
<i>Data Analyst</i>	Mar 2023 – Sep 2023
- Cleaned and transformed large datasets using Python and SQL, improving data quality for data-driven initiatives. - Built 10+ interactive Power BI dashboards to visualize key performance metrics, customer behavior, and risk trends. - Conducted regular data integrity checks to ensure accuracy and consistency in reporting solutions. - Simplified complex data models, enabling strategic decision-making tailored to stakeholder needs.	
MCB Bank Limited <i>Senior Officer Credit Risk Rating – Risk Management Group</i>	Jan 2019 – Dec 2021
- Developed statistically driven, IFRS 9-compliant credit risk rating models, improving portfolio risk identification by 20%. - Analyzed financial statements to streamline loan approval processes for corporate, commercial and SME clients. - Estimated Loss Given Default (LGD) and Expected Credit Loss (ECL) parameters using quantitative modeling under IFRS9. - Documented frameworks and methodologies for evaluating financial data in compliance with central bank regulations.	

RESEARCH AND PROJECTS

Credit Scoring Model at Cashew Financial Services Limited (Python, SQL) - Developed ML-based credit scoring models, reducing manual evaluation time by 25%. Probability of Default Estimations Model at MCB Bank Limited (SPSS, Excel) - Developed PD Estimation Models using 5-year data, ensuring IFRS9 compliance for Internal Credit Risk Rating.	Sep 2023 – Mar 2024 Jan 2019 – May 2019
---	--

TECHNICAL PROFICIENCY

Languages	SQL Python R C++
Tools	Power BI MySQL VS Code SPSS Excel RStudio
Technologies	NumPy pandas scikit-learn seaborn Matplotlib tidyverse dplyr ggplot2

LICENSES AND CERTIFICATIONS

- SQL Associate - DataCamp - Data Analyst in R – DataCamp - Associate Data Scientist in R - DataCamp - Artificial Intelligence Fundamentals - DataCamp
--

SKILLS AND INTERESTS

Skills	Advanced Data Analytics Statistical Analysis Sampling Concepts Hypothesis Testing Regression Analysis Machine Learning Time Series Analysis Data Visualization Market Research Research Documentation Collaboration Problem Solving Critical Thinking Adaptability Attention to Detail
Interests	Soccer Table Tennis Tennis Mathematics Chess
